GET MONASH READY

Taking your first steps with a Monash pathway program means you're taking the right path towards your future.

We focus on teaching you the skills you need to succeed at university and beyond, preparing you for entry into Monash. You'll experience a high quality education in a supportive learning environment tailored to your needs.

WHICH PATHWAY IS RIGHT FOR YOU?

Monash University Foundation Year

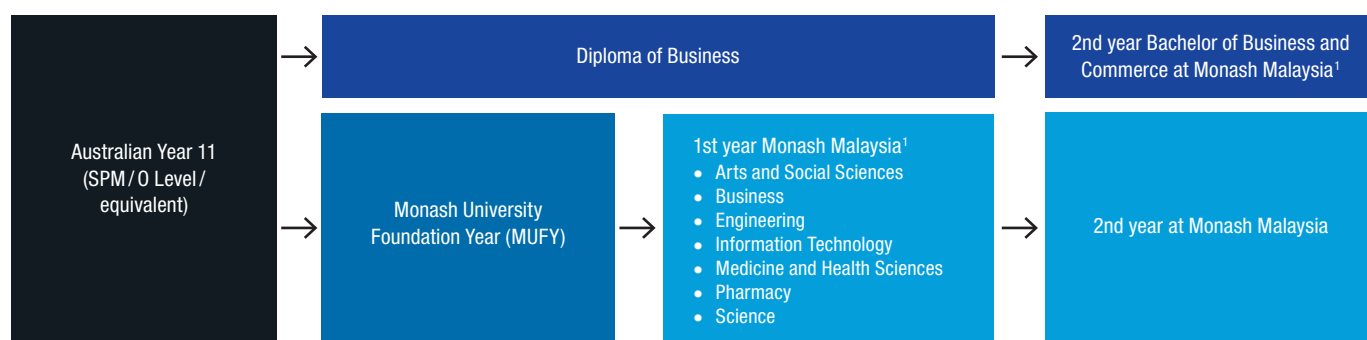

A pre-university program that prepares you for your first year at Monash University. Foundation Year offers a broad range of subjects and is accepted by all Monash University faculties and schools. Ideal if you're still deciding on your career path.

Diploma of Business

Specialise from day one with a Monash Diploma – you'll be studying subjects related to your Monash undergraduate degree. By successfully completing the program, you'll be eligible to fast-track into the second year of the Bachelor of Business and Commerce at Monash University Malaysia. Ideal if you already know the direction you want to head in.

BOTH OPTIONS:

- offer direct entry into Monash undergraduate courses
- demonstrate our student-centred teaching style
- use technology to make learning more interesting and practical
- develop high-performing graduates.

¹ Subject to meeting Monash University entry requirements and subject prerequisites.

LOCATIONS

- Sunway College Kuala Lumpur
- Sunway College Johor Bahru

MONASH UNIVERSITY FOUNDATION YEAR

JPT/BPP(K) (R3/0011/3/0132/A5694) 10/29

The Monash University Foundation Year (MUFY) is a pre-university program with proven success in preparing students for Monash University.

You'll develop your academic and English skills to the level expected of Monash students while studying subjects that prepare you for your future undergraduate course. Our supportive environment and dedicated teaching and support staff will guide you each step of the way, helping you to achieve your academic potential.

What you'll study

We have 12 subjects for you to choose from. Each subject is offered in two parts:

- Unit 1 introduces you to the subject area and key themes
- Unit 2 expands your knowledge and understanding.

To successfully complete this program, you must pass a minimum of eight different units:

- Units 1 and 2 of English (compulsory subject)
- Units 1 and 2 of at least two other complete subjects
- Units 1 and 2 of a complete subject or any two Unit 1 subjects.

STANDARD INTAKE³

FOUR UNITS (SEMESTER 1)

FOUR UNITS (SEMESTER 2)

AN EXCITING LEARNING EXPERIENCE

Students from more than 40 countries have chosen MUFY. As a MUFY student, you'll be immersed in a wholesome pre-university education environment, which nurtures academic excellence, self-development, leadership abilities and effective social skills.

You're highly encouraged to not just excel in your studies but to also participate in the exciting range of extracurricular activities occurring on campus all year round, such as:

- sports and talent competitions
- carnival fundraisers
- recreational and educational field trips
- financial and digital literacy workshops
- motivational workshops and camps
- community projects.

Assessments

Assessments take place throughout the two semesters to provide regular feedback on how you're progressing with your learning, your strengths, and areas that need improvement. The way you are assessed may be a combination of tests, research projects, assignments, seminars, presentations and reports. Coursework makes up 100 per cent of your final mark.

Calculating your MUFY university entry score

The MUFY university entry score is an average score that is stated over 100. It's calculated by adding up the individual score obtained from all eight units and dividing that total score by eight. If you pass a ninth or 10th unit on your first attempt within two semesters, you're eligible for bonus points.

Learn digitally

MUFY adopts a learning approach which combines face-to-face instruction with self-directed learning delivered on an e-learning platform. To cope with this learning approach, you're required to have your own laptop which runs on Windows or Mac OS in English. The laptop used should also come with a built-in front-facing camera, microphone and speaker.

Students taking Fundamental Mathematics, Mathematics, or Advanced Mathematics are also required to have a graphing calculator (Texas Instruments model TI-84 PLUS CE Python edition).

¹ Fees are subject to change. Exact amount will vary according to the number of subjects taken with laboratory fees. For international students, an additional administrative fee of RM2250 and a 6 per cent Malaysian Sales and Service Tax are applicable.

² You can choose to take on additional units, limited to five per semester or 10 throughout the duration of the program.

Entry requirements

Academic

Passed SPM, O-Level or equivalent with minimum five (5) credits and met Monash's English language requirement³.

Age 16 years

Australian and New Zealand Citizens

If you hold Australian or New Zealand Citizenship or Australian Permanent Residency you are not eligible to apply.

If you hold temporary resident status in Australia or permanent resident status in New Zealand you are eligible to apply for the program.

If you are granted Australian Permanent Residency after you enrol in your Foundation Year program, you may complete the program, however entry into Monash University is not guaranteed. After successfully completing your Monash College program and if you wish to apply for an undergraduate place at Monash University, you will need to apply through the Victorian Tertiary Admissions Centre (VTAC) to compete for a Commonwealth Supported Place (CSP) at Monash University.

WHY CHOOSE MUFY?

PATHWAY TO A PRESTIGIOUS UNIVERSITY

MUFY is your direct pathway to Monash University – a premier research-intensive Australian university ranked among the top 50 universities in the world⁵ and a member of Australia's prestigious Group of Eight.

FLEXIBILITY TO IMPROVE

You can spend just a semester retaking units to improve your overall university entry score and achieve better results⁶. There's no need to repeat the entire program, which a non-semesterised pre-university program would usually require.

SEMESTERISED STUDY MODE

You'll complete half of a subject (Unit 1) in Semester 1 before taking the second half (Unit 2) in Semester 2. This means you won't be facing the pressure of preparing for a single and final examination at the end of the program.

BROADLY STRUCTURED

A discipline-specific program such as a foundation in engineering will prepare you specifically for undergraduate studies in engineering. With MUFY, your options are unlimited. You'll have a broad pathway to any university course of your choice.

RECOGNISED WORLDWIDE

The MUFY qualification isn't just recognised by Monash – other universities in Australia, New Zealand and the UK do too. In Malaysia, branch campuses of foreign universities and private universities will also accept MUFY graduates.

SCHOLARSHIPS

As a MUFY student at Sunway College, you can apply for a range of academic and extracurricular scholarships, including the Jeffrey Cheah Entrance Scholarship which rewards high achievers in Sijil Pelajaran Malaysia (SPM), Cambridge O-Level, or Ontario Secondary School Certificate.

³ SPM English or O-Level English as a Second Language: Minimum Credit, or O-Level English as a First Language or English Literature: Minimum grade D; or IELTS: Minimum overall score of 5.5 with no band less than 5.0 or equivalent.

⁴ These units are only offered at Sunway College Kuala Lumpur.

DIPLOMA OF BUSINESS

KPT/JPT (N/0414/4/0260) 3/29 - MQA/PSA 17180

Specialise from day one with a Monash Diploma and fast-track to the second year of Monash University.

The Diploma of Business is your first step towards obtaining your Monash business degree. As a direct and reliable pathway into the second year of the Bachelor of Business and Commerce, this course will provide you with the skills necessary to meet the expectations Monash University has of students at an undergraduate level.

With the guidance of a dedicated team of educators, you'll learn how to work independently, think critically, and exercise academic skills while being introduced to the fundamentals of theories and practices in business such as mathematics, marketing, management, and more.

A business diploma or degree is incredibly versatile and gives you the ability to work in any industry. Whether you want to work in a multinational organisation, the non-profit sector or run your own company, you'll possess a range of transferable skills and knowledge, offering you a future of possibilities.

Course structure

Year 1

In your first year, you'll study nine units in the Diploma of Business. These subjects will provide you with a strong grounding in basic technical, theoretical, and practical knowledge that will set you on the path to a Monash business degree.

Year 2

In your second year, you'll study six core business units and two academic-skills based units that are designed to prepare you for direct transition into one of the accountancy, or non-accountancy majors of the Bachelor of Business and Commerce degree.

WHAT YOUR COURSE WILL LOOK LIKE²

YEAR 1		UNITS		
Semester 1	MMD1090 Marketing 101	MMD1690 Economics 101	MMD1540 Effective communication 1	MMD1110 Introduction to data analysis
Semester 2	MMD1020 Management 101	MMD1010 Accounting 101	MMD1550 Introductory mathematics for business	MMD2030 Effective communication 2
Winter semester	MMD1000 Spoken English for higher education			
Year 2		UNITS		
Accountancy major in the Bachelor of Business and Commerce				
Semester 1	AMU1018 Introduction to academic research	BFW1001 Foundations of finance	ACW1120 Financial accounting 1	ECM1953 Principles of economics
Semester 2	AMU1017 Academic literacies	ETW1001 Introduction to statistical analysis	MGW1010 Introduction to management	BTW1042 Business law
Non-accountancy major in the Bachelor of Business and Commerce				
Semester 1	AMU1018 Introduction to academic research	BFW1001 Foundations of finance	ECW1101 Introductory microeconomics	ACW1020 Accounting in business
Semester 2	AMU1017 Academic literacies	ETW1001 Introduction to statistical analysis	MKW1120 Marketing fundamentals	BTW1042 Business law, or MGW1010 Introduction to management

¹ Effective 1 July 2025, the Malaysian Government has expanded the Sales and Service Tax (SST) framework to include education services for international students. A 6% SST will apply to tuition and other related education fees, which will be reflected in your fee statement. The fees listed in this guide exclude the service tax.

² This course map is intended as a rough guide. Units listed may vary depending on intake, availability and the latest requirements.

Prerequisites

Credit in Mathematics: Australian Year 11 equivalent.

English: Monash's minimum requirements apply. You can meet the English entry requirements with a C grade in SPM English Language and CEFR B1, B2, C1 or C2³.

The following English proficiency tests are accepted:

- IELTS (Academic)/IELTS One Skill Retake (Academic)/IELTS Online – Overall band score of 5.5 with no band less than 5.0
- TOEFL iBT/TOEFL iBT Paper Edition⁴ – A total score of 46 with 14 in Writing and Speaking, and 4 in Listening and Reading
- Pearson Test of English (Academic)⁴ – Overall score of 47 with no Communicative Skills lower than 36
- C1 Advanced/C2 Proficiency⁴ – Overall score of 162 with no skill score lower than 154

Tests must be taken within 24 months prior to course commencement.

WHY CHOOSE MONASH?

HOLISTIC CURRICULUM

With an equal emphasis on fundamental knowledge and practical skills, you'll have an advanced understanding of theories and applications in business practices when you complete your diploma.

100% IN-SEMESTER ASSESSMENTS

We prioritise the application of knowledge and skills over rote memorisation. You'll engage in project-based learning, which promotes complex and critical comprehension of the subject.

DIRECT PATHWAY INTO MONASH

Transition directly into the second year of Monash's Bachelor of Business and Commerce when you complete this course and meet the entry requirements. This also means that you'll receive two qualifications – a diploma and a degree – from Monash in just four years.

EMPLOYABILITY

If you decide to enter the workforce after completing this course, the blend of theory-based and practical education will have given you a well-rounded ability to critically understand and apply valuable skills and knowledge. You'll thrive in the business world.

UNIVERSITY ENVIRONMENT

You'll be studying the same syllabus and assessments as first-year undergraduate students, and you'll be supported by lecturers who will provide you feedback and guidance to ensure you're ready for university.

SCHOLARSHIPS

Receive up to a RM20,000 tuition fee waiver under the Monash Diploma Merit Scholarship depending on your SPM, GCE O-Level, IGCSE or GCSE results. Or get a 10 per cent tuition fee waiver under the Diploma of Business Bursary. Visit monash.edu.my/scholarships for details.

³ Monash University does not accept CEFR grades of A1 or A2.

⁴ Monash University does not accept TOEFL iBT Special Home Edition, Pearson Test of English (Academic) Online and Cambridge Linguaskill General as satisfying the English entry requirement for any Monash course.

⁵ The Ontario Secondary School Diploma is only accepted from Monash approved schools only.
